## Letter From The Principals

Dear Parents, Families and Friends,

Thank you parents and family members for your support this 20th year of Three Oaks Elementary School.

Three Oaks Elementary will be receiving building and air conditioning improvements beginning this summer through next school year.

Please encourage your children to read from the recommended Core Knowledge summer reading list for their upcoming grade level over the summer. It can be found on the back of this newsletter under supply list as well as our website.

We will be going “green” next year, and most communication will be sent to your email. No more backpacks stuffed with paper. We will be providing paper copies for those without internet access.

Please continue to review our school website for updates over the summer or our office.

**We wish everyone a safe and fun summer!!**
